

COLLEGE OF WAREHOUSING

TLI 31616 Certificate III in Warehousing Operations Online Learning

The Program This course is suited to formalise knowledge and skills for persons working in warehousing or distribution or have recently changed careers. Persons studying this course may be a team leader, supervisor or be working with limited supervision. There are 19 Units of Competency to be studied and assessed to receive the qualification.

Training Arrangement The 19 units of competency are delivered online. Recognition of prior learning (RPL) or Credit Transfer (CT) is available to students who can demonstrate competency in these units. There are practical components, so employment or access to a workplace is required.

Fees For Course This program is delivered in three blocks to complete the full Certificate III Qualification.

- **Block 1 (6 units) \$490.00**
- **Block 2 (6 units) \$490.00**
- **Block 3 (7 units) \$570.00**

The total fee for this program is **\$1550.00 GST exempt**. Please read our refund policy that is provided in our student induction and information pack.

Program Content 19 Units Required The training required will depend on existing knowledge and skills and if you have underpinning qualifications or training in your current or past employment. The duration of the Certificate III is 1 to 2 years. A Certificate III in Warehousing Operations is not a trade qualification so does not have ASQA indicator of 3 or 4 years training requirement. Vet indicates 280 – 570 hours for a Certificate III to cover theory, research, sourcing documents, analysis information, reinforcing by practical application and preparing and submitting your assessments. Support is available from the College by phone, email, and physical contact with student administration or Trainers.

Credential To obtain TLI31616 Certificate III in Warehousing Operations, it is requirement to successfully complete all nineteen (19) units listed below.
