## TLI 41816 Certificate IV in Warehousing Operations - Online Learning

This course is suited to persons who have completed foundation studies or have current experience in warehousing or distribution and are responsible for directing or supervising the allocation of tasks in the workplace. They could be a team leader, co-ordinator or manager.

**Training Arrangement** The 21 units of competency are delivered online. There are practical components, so employment or access to a workplace is required. Recognition of prior learning (RPL) or Credit Transfer (CT) is available for students who can demonstrate competency.

**Fees For Course** This program is delivered in three blocks to complete the full Certificate IV Qualification;

- **Block 1 (7 units) \$630.00**
- **Block 2 (7 units) \$630.00**
- **Block 3 (7 units) \$630.00**

The total fee for this program is **\$1890.00 GST exempt**. Please read our refund policy that is provided in our student induction and information pack.

**Program Content 21 Units Required** This program requires the successful completion of 21 units of competency comprising 3 core units and 18 elective units listed below. The amount of training required for a Certificate IV will depend on existing knowledge and skills and if you have underpinning qualifications or training in your current or past employment. The duration of the Certificate IV is 6 months to 2 years. VET indicates 500 – 840 hours for a Certificate IV to cover theory, research, sourcing documents, analysis information, reinforcing by practical application and preparing and submitting your assessments. Support is available from the College by phone, email, and physical contact with student administration or Trainers.

**Credential** Upon successful completion of 21 units, the College of Warehousing will issue a Certificate IV in Warehousing Operations TLI41816. This is a nationally recognised qualification.
